

# NORTHERN NEVADA GOLF ASSOCIATION WOMEN'S POINTS EXPLAINED

## OVERVIEW

---

Points are earned through playing in Northern Nevada Golf Association events, Nevada State Golf Association events and USGA Qualifiers and Championships. There are multiple division that golfers able to earn points in throughout the year. When golfers play in a tournament they will select the division that they will compete in to receive and accrue points.

NOTE: Players can change their division between events and start collecting points in their newly selected division at that date but points do not transfer between divisions.

## WOMEN'S REGULAR DIVISIONS

---

Most of the Women's Regular Division Tournaments will be scored using both Scratch and Net over the field. During these event golfers will be awarded spots in Scratch OR Net depending on where they finish. Points will be awarded to golfers in Scratch AND Net depending on where they finish in both. Golfers are not required to decide if they want to compete in the Scratch or Net Division prior to the start of these event.

New for 2023, some Women's Regular Division Tournaments will be scored using either Scratch or Net. During these events golfers will need to select prior to the start of the event if they are going to compete in the Scratch or the Net Division. Scratch Points will only be awarded to golfers in the Scratch Division and Net Points will only be awarded to golfers in the Net Division.

We will award points for NNGA Events, Nevada State Events, and USGA Events. Points will be awarded based on how golfers finish in each division for the event played.
