2020 Great Prairie™ Junior Golf Cup
Presented by Zero Energy SIPs
Invitation

Location: Welcome to Genoa, Nevada – the first settled community in the "Nevada Territory" in 1851. While most people will easily recognize Las Vegas, Reno or Carson City, Genoa is hard to forget! Located at the base of the Sierra Nevada Mountains, this remarkable community was a stop along the Pony Express and produces some of the best grass fed beef in the USA. Genoa – and the Carson Valley – still displays its legendary heritage with a generous twist of raw!

Venue: Genoa Lakes Golf Club
1 Genoa Lakes Drive
Genoa, Nevada 89411

Genoa Lakes Golf Club has regularly hosted the US Open Men's Qualifier since 2000. While competitors will experience a challenging golf course, you will not encounter a punishing setup. Spectacular views and driving accuracy are the name of the game on the Genoa Lakes course. Co-designed by PGA Champion Peter Jacobsen and John Harbottle III, this links-style course with rolling fairways meets head-on with the eastern slopes of the breathtaking Sierra Nevada Mountains. Lush wetlands and the winding Carson River bring water into 14 holes of play, making long, straight drives (hint, hint!!) the order of the day.

Date: Saturday, June 20, 2020

Format: Individual Stroke Play for Boys and Girls in two age brackets: 14-15 and 16-17. We will likely utilize Split Tee Boxes to speed play and assign athletes to a 3-person tee time.
